

Qi Regina

Qi Regina - A Feng Shui is someone who has studied in the subject of Feng Shui and is able to help individuals with the orientation, layout and decoration of both commercial and residential areas. Feng Shui consultants may be utilized for both interior and exterior or structural applications depending on the project they were hired for. Like for example, she or he can be responsible for only the design and cosmetic dressing of an interior area. Then again, if a Feng Shui consultant is brought in to provide suggestion in an early planning stage of a particular project, she or he could give input regarding the structural elements of the space or the building.

Today, Feng Shui is usually performed inside houses and used inside office places. Before, it was performed in buildings of significance like places of worship. In the 1960s Feng Shui became common in the West. Several books have been written since then and published in English and various languages. Many Westerners who have studied Feng Shui have gone on to become consultants.

There are a few particular schools that offer Feng Shui courses. So as to become a Feng Shui consultant, it is essential to commit intense research time in order to totally understand the practice. Feng Shui is based on knowledge of qi, which is also known as "chi." Qi is normally defined as the flow of energy which is linked to all living things. The practice even relies on polarity, the theory of yin and yang and magnetic pull. A Feng Shui consultant should likewise be familiar with the many symbols linked to practice and knowing a great deal regarding qi.

Feng Shui is normally performed within private homes throughout Western nations. It is far more unusual for professional spaces which are fashioned or built according to Feng Shui principles. Even though the area in general has not been organized to the philosophy of Feng Shui, it is possible to integrate elements into personal work spaces. When incorporating Feng Shui into designing and dressing a bigger space, it might be wise to seek advice from a Feng Shui consultant, although it is possible to finish smaller projects on one's own.

Different sites on the World Wide Web are committed to providing information regarding Feng Shui, its principles and its history. The information on the web sites usually comprises general knowledge of Feng Shui as well as information concerning schools that offer courses. Some of these websites also provide contact information for people seeking a Feng Shui consultant.
